•Teachers Feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. We have emphasized on teachers innovativeness, use of ICT in teaching methodologies interactive teaching and students' involvement in learning.

Based on this feedback, a faculty meeting is held in which the issues like enhancing the curriculum, academic discipline, Teaching Learning process, Research and Extension activities are debated and discussed. The appropriate suggestions are put forward for implementation.

College also has a suggestion box in its premises where students can drop their suggestions. The suggestions in the suggestion box are considered by the Principal of the College for further plan of action. Following the students feedback, a meeting of peons and sweepers was convened the said staff was given due instructions. Cleanliness schedule was stuck in the college washrooms and the teachers were assigned the work of crosschecking and signing to ensure regular cleaning.
