Dear sir,
Greetings from SNTD !
department of Political Science and culture has long engagement through several activities. in continuation to this we would like to conduct and workshop on urban governance on 17 February from 12 p.m. to 2 p.m. It would be a request to cover the municipal governments structures and functions plus several issues of urban governance to take in this workshop. we have students from English as well as vernacular medium so making it bilingual will be more helpful. we could actually plan series of workshop in this semester, first of it we can plan on 17th of February 2022.
