College ensures women safety and security through:

A. Safety Measures:

- (i) Entry into the college campus is strictly prohibited without ID proofs.
- (ii) The CCTV surveillance provides the safety and security throughout the campus.
- (iii) According to the stipulated norms college formed an Internal Complaints Committee (ICC) to address the complaints filed by the students. The ICC members and their

names with all students and also published on college website. Problem facing student/s can register her complaint at any-time.

- (iv) The college every year held a medical camp for students and staff under NSS cell.
- (v) College have proactive NSS unit every year women program officer ensure the girls volunteers safety and security when they plan for daily and special camp activity.
- (vi) College has opened a NCC wing for girls, to create awareness and to insure the physical training for college students.
- (vii) To train the girls on personal Security Awareness Training Programs, Physical Education and Sport Department of College for student.

B. Counseling:

I) to help the students to know herself for better her interest, abilities, aptitudes, opportunities and develop special abilities and right attitudes, support of mental health department of Psychology conducted face to face or telephonic counseling for needy students. Training and placement cell address both personality development and career related issues. Teacher's mentors and departments are also mandated to have regular student-faculty interaction to take stock of problems/issues and resolve them.

C. Common Rooms:

To provide a stress free environment for student, college has a well-ventilated student common room for students in the campus just opposite to the staff room. The students utilize it for having lunch, common discussions, rest, relax and refresh her.

1) CCTV Camera
